Delta Chi law requires that a yearly history shall be permanently placed in the files of each chapter and a copy forwarded to the Headquarters on or before May 1, 2005

As you prepare your annual history think of the information YOU would like to know if YOU were looking back on your chapter 20, 25, or 100 years from now. Remember you are writing history. Do not wait until the last minute to complete the annual report. Take your time and ask others for help. It is important that you capture this year's achievements of your chapter as well as those of your brothers and associates. Otherwise, they will most likely be lost over time. This document will be considered a significant piece of history for future members to look back on. If you don't complete the annual history who will? Take your time and have fun recalling this past year.

11. PRESENT POSITION OF THE CHAPTER

Our recruitment this year did not go nearly as well as anticipated. Due to this, we are looking over our method of recruitment, and will be trying some new things next year. Our semi-formal dance had spectacular turnout, with most of the house attending, as well as several alumni. The chapter has achieved much and we will continue to strive towards our goals in the future.
