Delta Chi Law requires that a yearly history shall be permanently placed in the files of each chapter and a copy forwarded to the Headquarters on or before May 1, 2008.

As you prepare your annual history, think of the information YOU would like to know if YOU were looking back on your chapter 20, 25 or 100 years from now. Remember you are writing history. Don't wait until the last minute to complete the annual report. Take your time and ask others for help. It is important that you capture this year's achievements of your chapter as well as those of your brothers and associates. Otherwise, they will most likely be lost over time. This document will be considered a significant piece of history for future members to look back on. If you don't complete the annual history who will? Take your time and have fun recalling this past year!

recruitment by our 9 new members. We plan to have 5 more hopefully in our "off" term in gaining new members. Improvements have been made to our House. We will have our 10-year Chartering Banquet in September 2008, and hopefully draw 200 people. Finances of the chapter has improved significantly as AR has reduced by over 50%. We are becoming recognizable on campus, with certain uniqueness that we hope directs us to a chapter that will last as long as Kettering University does.
